

How the DI SchoolLocator Works

1. Enter an address, or click anywhere on the map with the Point Tool, and DI's SchoolLocator will:
 - display all schools that serve that address
 - display the location of the residence
 - allow users to zoom in or out for more or less detail
 - provide clickable access to additional 'School Info' on each school

SchoolLocator as Posted on District Website

SchoolLocator Presents Results of Search for Neighborhood Schools

Schools serving the located address:

Name	Low Grade	High Grade	
Davis ES	K	6	School Info
Sonora ES	K	6	School Info
Costa Mesa HS	7	12	School Info

See other addresses that matched? Try a different address?

- Review School Information by clicking the 'School Info' button for any of the school names displayed. Below is a sample display.

School Notes	The mission of Sonora School is to become a community of learners where academic excellence is promoted and character qualities are taught through our SOAR Program ~ Safety, Ownership, Attitude and Respect. We promote safety for all, take ownership for o	

Try It Out!

You can test SchoolLocator. Copy the link below into your browser.

<http://di.decisioninsite.com/Locator.aspx?StudyID=25281>

Use the following address to see how the system returns a result.

2885 Bear Street
Costa Mesa
92626

Or, to test without an address, click on the 'point tool' and then click anywhere on the map.

Note: DecisionInsite will charge a modest fee to modify an existing boundary, or to add an additional SchoolLocator link for a boundary change effective in a future year.
